Term 2 Week 6

1st June 2022

A Message from Mr McKay

Welcome to the school update for Week 6, Term 2 2022.

The weather has certainly changed of recent. The cold weather has hit on time for the start of Winter. They are expecting a cold winter this year. Ensure that your children are rugged up and ready for school. The Influenza A virus is currently circling all our schools. This flu is impacting on staff as well.

I am pleased that our year 1 students had an amazing excursion last Monday to the Sydney Zoo. They had a great day and came back with huge smiles and stories. The staff had a great time as well. As to this, our Year 2 students will be attending the Zoo next week and I am sure that they too will have a great learning time and have fun. The staff are excited in taking the students. A reminder to parents that to pack a small bag for the excursion-not the school bag. Again they will have the best day!

Today we have a number of students participating in the Area Cross Country event. I wish them all the very best success on the day! With the extreme cold, a run around the park may warm them? Thank you to the parents for your support of this event.

A huge reminder to parents that semester 1 reporting by all staff has commenced. Teachers will be taking time to complete reports for this semester with the understanding that they will be released to parent's portal in week 10 of this term. My reason for providing this information is to ensure that all parents have the link set up ready for the staff to release the reports. If you have difficulty in establishing this link, please come to the front office and request support in setting this up.

I must admit that this term is fast tracking as we start week 6. A huge reminder to all parents that we will be celebrating the Queens birthday on Monday the 13 June-this means that we have a long weekend on the Monday and the children do not return back to school until the Tuesday the 14. Enjoy this time!!

Thanking you,

Daryl McKay

Principal
