Dear Parents,

Welcome to week 2 of term 2 2018. I hope that you all had an amazing holiday and are now ready for another great term. It was so nice seeing all the students on day two with smiles on their faces and saying hello and good morning. It makes our day!

I would greatly appreciate your assistance during the week and over the weekends in protecting our school. We have had a few break and enters into the school which caused some minor damage. If you happen to be going past the school and you see people inside the grounds which you consider to be suspicious, please do not hesitate in contacting the local police on 9607 1799. We appreciate your support.

Next week (week 3) our amazing year 3 and 5 students will be sitting for the NAPLAN test. The test will run across three days starting on Tuesday the 15th May and ending on Thursday 17th May. In terms of the tests, each child will be assessed in areas of Literacy and Numeracy. Each test will be conducted in the child’s classroom. In leading up to the testing program, I would like to take this opportunity of saying how important it is that your child has a nutritious breakfast on the days of the testing. Please be supportive of your child and emphasize to them to simply do their best. I look forward to sharing the results of these tests in term 3 this year. All the very best to all of our children who will be sitting for NAPLAN in 2018.

I would like to take this opportunity to acknowledge all of the wonderful Mothers in our school community. With Mother’s Day this coming Sunday, I do hope that you have a wonderful and beautiful day. You all deserve to be treated with the greatest respect in terms of what you do for your children. I hope that you all have a wonderful day and be spoilt throughout the day. Celebrate well and enjoy!!

Have a great week!!

Daryl McKay

Principal

A Message from Mr McKay

Parent Showcase 2: Mathematics

Our second parent showcase will provide opportunities for parents to watch a Number lesson in their child’s classroom. This is a fantastic opportunity to visit your child’s room at the following times/dates and hopefully gain some new ideas and insight into how you can further support your child with their numeracy skills.

Classrooms are open for parents to visit and observe at the following times;

**Monday Week 4:** 9:00-9:45am for Kinder, Year 1, Year 5 and Year 6
**Wednesday Week 4:** 9:00-9:45am for Year 2, Year 3, Year 4 and the Support Unit.

We hope to see you all in the classrooms during this exciting opportunity.

Mufti Day

This Thursday 10th May we are having a Mufti Day to raise money for one of our Year 6 students who is competing in the WAKO Junior World Kickboxing Championships in Italy later this year.

Students are able to wear mufti for a gold coin donation. Lollies and drinks will be for sale in the Passive Area at recess for $1 each until sold out.
Come and try Rugby League

On the same days that the students will be attending the free rugby league clinics with their class (Tuesday 22nd May for K-2 and Wednesday 23rd May for 3-6), the NRL are also offering a free ‘come and try rugby league clinic after school on our bottom oval. These will be held from 3pm until 4pm.

Book Club

Issue 3 of Book Club was distributed last week and will be due back no later than 9.30am, this Friday 11th May 2018.

All orders must be in an envelope with the student’s name and class clearly marked on it. If the order is not correctly filled out this will result your child’s order not being able to be processed. All orders must be handed directly to the front office.

Please have the correct money enclosed as no change can be given.
