Term 3 Week 8

12th September 2018

A Message from Mr McKay

Dear Parents

Welcome to week 8. We are nearing the end of term 3 with the understanding that we still have so much to do especially over the next two weeks. Please ensure that you read the newsletter for the update of happenings in the school. The newsletter is always attached to the school App and also on the school's web page.

On Tuesday the 25th September, our Year 6 Spring Fair will be happening. The whole school is involved on this day to help raise funds for the year 6 Farewell. There will be many activities on throughout the day, including rides which will be operating until 4pm. Permission is required for students who are staying at school after the bell. Parents and community members are invited to participate. A big thank you to the year 6 teachers for their efforts in putting the carnival together. Also, on this day, parents will have the opportunity to visit the hall, which will be open until 4.00pm, for you to view our 25th Anniversary display .

A huge reminder to all parents that we will be celebrating our 25th Anniversary on Wednesday the 26th September. At the morning assembly we will be having a cake cutting ceremony, and once the children are back in their classes, they will be receiving their own personal cup cake for recess. All parents will be invited to the hall for an opportunity of viewing the history of the school and having a cup of tea or coffee and a slice of cake. We welcome parents and the community to our special celebrations.

Our year 5 campers will be arriving back this afternoon from their three day camp. I can honestly say that they had an amazing time and represented the school with pride. I thank the teachers for their amazing efforts for the three days. I look forward to the stories that will be told. Thanks to the parents for allowing your child to have an experience of a lifetime.

Next week a large number of our students will be participating in the Western Liverpool Performing Arts Festival. Our students will perform in dance and choir across various nights giving the audience a wonderful experience. Another event that involves our amazing teachers going beyond and above their duty. Congratulations to all of our students who form part of this years festival

A lot of things happening during the next two weeks and we look forward to seeing you here at the school in support.

Have a great week!!

Daryl McKay

Principal
