Wrap Up Term 4 2023

Merry Christmas to All and a Happy New Year

Dear parents, carers, and community, a huge thank you for a wonderful and amazing term 4. It has been a pleasure in working with your child through 2023. We have celebrated many successes in the school and supported many people across the community. With the greatest respect, thank you to all for your continued understanding.

We look forward to 2024 with a new direction in terms of teaching and learning. I am sure that again we will achieve highly as we set our expectations for every child and grade. Please ensure that you are a part of your child's education for 2024.

I wish all an amazing break after this term! Our year 1 to 6 students for 2024 will all start school on the 1 February. Our Kindergarten students officially start on Wednesday 7 February. All Kindergarten students will be assessed against the Best Start benchmark from the 2 February. All parents will be informed of time and date.
