Term 3 Week 8

11 September 2024

### A Message from Mr McKay

Dear Parents/Carers

Welcome to week 8 of term 3. I must acknowledge that again this term is also running fast. The ups and downs of weather conditions play an interesting game for all students, and we all hope that the warmer weather does prevail soon. I want to take this opportunity first to thank all parents for their continued support of their child/ren. In terms of activities and events that we have running in the school. An outstanding effort by all teachers and great achievements by students representing the school. I would like to take this opportunity in acknowledging the following students for their amazing efforts in the sporting arena.

Leila Jaouhara - representation for school and Region and NSW in various sports - sensational

Todor Ciganovic - representation for school and Region and NSW in various sports - incredible

In identifying the above individuals, I would also like to acknowledge a number of students in Year 6 and 5 who have been involved in sporting events. I look forward at the next assembly in acknowledging all well done to all and a huge congratulations..

This coming Thursday morning 12 September, our school will be acknowledging and celebrating our Serbian culture in the school. We are always looking at ways to work with our community and ensuring that we promote the positiveness of the culture and provide opportunities for children to showcase their understanding of their culture, this will be at an assembly on Thursday.

On the same date 12 September, we will also be celebrating the RUOK (Are you OK) day. This is a special time for us all to recognise and support those who we think need our help and to also say that we are here for all to ensure that you are OK! See you all for a great day on Thursday 12 September.

Huge news for all students, parents, and community, our annual Year 6 Spring Fair will be happening on Thursday 19 September. The fair provides opportunities for all students in the school to be involved in various activities, games and events. Our Year 6 students will have the opportunity of managing programs, games and events under the supervision of teachers. In celebrating this event, our Year 6 students benefit greatly as the money raised goes towards the Year 6 Farewell that is held in the school towards the end of term 4. I look forward in seeing parents and the community up here for the day. All the best for the yr. 6 students and huge congratulations to the staff especially the year 6 for all their organisation-well done!

Kids who attend Motiv8sports school holiday camps learn about teamwork and sportsmanship in an environment fuelled by great leadership and constant motivation. We create events that motivate children to play, where no one sits on the bench and everyone's treated like a superstar. Safety and supervision are our highest priorities.

Over the course of 2 days campers will experience our incredible non-contact hybrid sports including Flagball, Ruckus AFL, Ballers, Super Soccer, Big Dog Cricket, Ultimate League, Sector 8, 4-Ball, Street Hockey plus our insane mega sessions SS Races, Dash for Cash, The Face Off and Rope Wars.

## Time saving tips for lunchboxes

The before school rush can have us reaching for sometimes foods.

With a little extra planning you can make it easier to grab an everyday option.

Try:

- Cutting up extra vegetables at dinner ready to pack in the morning
- Cutting up reduced fat cheese cubes in bulk on the weekend ready to pack with some crackers for the week
- Swapping from packaged chips to packaged air popped popcorn

Use our handy lunchbox planner to plan out everyday lunchboxes for the week.
